

PPIE Training Opportunities April 2023

NIHR University College London Hospitals Biomedical Research Centre

There are a variety of online PPIE-related courses available with multiple dates, all of which can be accessed via the following link: [PPI Training | UCLH Biomedical Research Centre \(nihr.ac.uk\)](https://www.nihr.ac.uk/ppe-training). Please note, these courses are open to all staff working for UCLPartners members organisations.

You can register to any of these courses by emailing ppihelpdesk@ucl.ac.uk with the following information:

- Name of workshop
- Your name
- Your departmental budget code
- Date of workshop
- Job title and organisation

1. Intro to PPI: what can PPI do for you?

This session is for anyone new to PPI. Learn what patient and public involvement is all about, and how it can help your research. Pick up some of the basics of incorporating patient involvement into your work.

When? Wednesday 26 April 2023 10am-12:30pm
Thursday 25 May 2023 10am -12:30pm

2. How to fill in the PPI section of a grant form and write a lay summary

This session is for anyone struggling to work PPI into their funding applications. Learn what funders are looking for, and at what stage of applying for funding you should be seeking patient input.

When? Wednesday 26 April 2023 2pm-4:30pm
Thursday 25 May 2023 2-4:30pm

3. How to find patient partners and keep them involved

This session is for anyone looking to involve patients in their research. Learn where to go to find people who will get involved, and how to help them remain engaged.

When? Thursday 11 May 2023 10am-12:30pm

4. Facilitation: how to get the most out of your PPI activities

This session is for anyone looking to run workshops of focus groups. Learn how to get the most out of your meetings.

When? Thursday 11 May 2023 2pm-4:30pm

5. How to do PPI: focus groups and more

This session is for anyone who understands the role of PPI and wants to put their learning into practice. The session examines PPI methods in depth, including cost, how to choose the right method for your project, and with a particular look at how to run a PPI focus group.

When? Thursday 18 May 2023 10-12:30pm

Queen Mary Centre for Public Engagement

Introduction to involving patients in your work

This workshop will introduce how engaging patients, carers and the public can serve as an effective means to inform health-related research throughout the research process.

When? Tuesday 9 May 2023 2pm-4pm

[Book onto the Introduction to involving patients in your work session](#) (search course code: RD-PE-006)

Please note: Barts staff are welcome to attend the session but may be unable to book using the online system. If this is the case, please contact the CPE directly to book your space via publicengagement@qmul.ac.uk

Public engagement masterclass

This half-day workshop is designed for anyone looking to take their first steps in public engagement or those who have undertaken projects before but would like to cement their learning in this area.

When? Wednesday 26 April 2023 2pm-4:30pm

Wednesday 17 May 2pm-4:30pm
